

Who are We?

Housing Rights, Inc. is a local non-profit organization dedicated to ensuring equal access to housing for everyone. We work to eradicate illegal housing discrimination and sub-standard housing conditions, to prevent evictions and foreclosures and to encourage diversity in Bay Area neighborhoods.

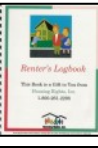

Dear Friend of Housing Rights,

Our organization would like to extend assistance to you and your clients in dealing with housing related problems. We receive government funding to provide **landlord-tenant mediation** services, **fair housing investigations**, **lawyer referrals**, and **foreclosure counseling**. In addition, we hold workshops and distribute educational material relating to all aspects of housing rights.

Please contact us if you would like to host one of our **free informational workshops**, or if you would like to order some of our **free educational materials**. Below is a description of the material we offer, on topics ranging from housing rights for immigrants, to finding affordable housing.
